✓ **Reasons For Allowance**

1. Claims 1-22 are allowed.

The following is an examiner's statement of reasons for allowance: Based on Applicant's amendment/persuasive argument (page 10 of Applicant's remarks) filed on 7/05/05, and by inserting the limitation "distinguishing groups of said other connected components, a group being formed by contiguous connected components that are not separated from each other by pixels belonging to a background connected component" to independent claims 1 and 11; therefore claims 1-22 becomes allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
